TRAINING FOR STAFF

ARC Scotland offers a one-day course, *Managing My Money*, for support staff who help people with their day-to-day finances. More details are available from Debbie Gibb on

0131 663 4444 or email debbie.gibb@arcuk.org.uk.

Young people and money

The Financial Services Authority (FSA), in partnership with Citizens Advice and Fairbridge, has developed the Young People & Money FREE one day training course. The course will equip those who work with young people aged under 25, who are not in education, employment or training. It provides them with a greater understanding, awareness and confidence along with supporting toolkits to help their young people make more sense of their money and ultimately become more financially capable. The course is being delivered in local areas across the UK. For more info see:
