

ENABLE Scotland
Leading the way in learning disability

#stopthebus

Stop the Bus is ENABLE Scotland's new campaign.

The campaign wants to make it easier for people to get a bus pass.

A bus pass lets people who have a disability get the bus for free.

But lots of people who have a learning disability can't get a bus pass.

Some people used to have a bus pass. But they can't get one any more because the rules have changed.

We think more people who have learning disabilities should be able to get a bus pass.

Our campaign says the Scottish Government should change the rules to make it easier to get a bus pass.

Bus passes are important

A bus pass means more than just getting the bus for free.

A bus pass it makes it easier to get to places like...

- work or college

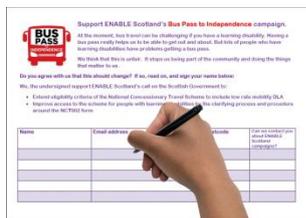

- out and about, seeing friends.

It gives you more control over your life.

It is a Bus Pass to Independence.
