1. What is the ENABLE Scotland lottery?

# ENABLE Scotland Lottery

ENABLE Scotland's lottery is a new way to raise money for the charity.

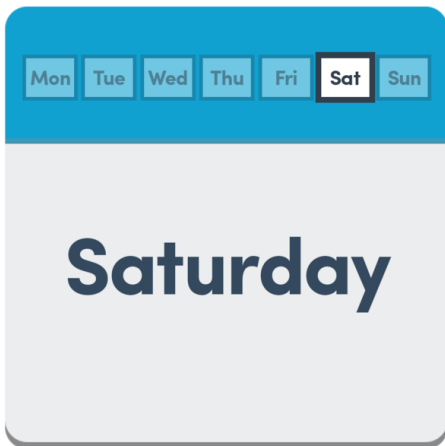

People buy tickets to play the lottery.

The tickets cost £1 each.

# ENABLE Scotland Lottery

Every week there is a draw of numbers.

If you are lucky then you might win some money.

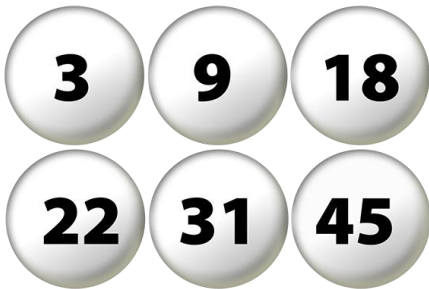

If someone has all 6 of their numbers drawn they can win a £25,000 jackpot.

# ENABLE Scotland Lottery

You can choose your own numbers to play.

Or you can let the computer choose.  
This is called a lucky dip.

2. How do you play.

# ENABLE Scotland Lottery

The ENABLE Scotland Lottery is played online.

You make an account on the website:

www.

*(insert website screenshot)*

After you have made your account you tell the computer how many tickets you want to play each week.

# ENABLE Scotland Lottery

Make sure the amount you decide to play is something you can easily afford.

Every week you will be charged for your tickets.

If you are lucky, you might win some money.

3. How to stop playing the lottery if you want to.

# ENABLE Scotland Lottery

You can stop playing the lottery any time you want.

You can also change the number of tickets you play each week.

You do this online through the website.
